

Cost of Training for Foreigners in 2015-2016 Academic Year

Table 1

Cost of training for foreigners at Sumy State University on the following educational qualification levels: “Bachelor”, “Specialist”, “Master”, cost of pre-university training and postgraduate education in 2015-2016 academic year (full-time mode of studies)

Field of Training (Specialty)	Language of Studies	Faculty	Cost of Training (per year) USD							
			Bachelor				Specialist on the Specialty “General Medicine”		Specialist	Master
			1 st year	2 nd year	3 rd year	4 th year	5 th year	6 th year		
			2015	2016	2017	2018	2019	2020		
Specialties of Technical Field										
Engineering (Metal-Cutting Machines and Systems, Tool Production, Equipment of Chemical Manufacturing and of Building Materials Enterprises), Mechanics (Computer Mechanics), Engineering Mechanics (Manufacturing Engineering, Hydraulic Machines, Hydraulic Drives and Hydraulic and Pneumatic Automation), Heat Power Engineering (Energy Management*), Power Engineering (Refrigerating Machines and Plants, Compressors, Pneumatic Units and Vacuum Engineering), Material Engineering (Applied Material Science), Applied Mathematics (Applied Mathematics), System Engineering (Computerized Systems of Control and Automatics), Electrotechnics and Electrotechnologies (Electrotechnical Systems of Power Consumption), Micro- and Nanoelectronics (Physics and Biomedical Electronics), Electronic Devices and Systems (Electronic Appliances and Devices, Electronic Systems), <u>period of training for Master’s degree is 2 years.</u>	Ukrainian-Russian	Faculty of Technical Systems and Energy Efficient Technologies, Faculty of Electronics and Information Technologies	1800	1800	1800	1800	X	X	2100	2300
Specific categories (Quality, Standardization and Certification), <u>period of training is 1,5 year.</u>	Ukrainian-Russian	Faculty of Technical Systems and Energy Efficient Technologies	X	X	X	X	X	X	2100	2300
Ecology, Environmental Protection and Balanced Usage of Nature Resources (Ecology and Environmental Protection), Informatics (Informatics), Computer Science (Informational Technologies of Projecting), (Information and Communication Technologies), <u>period of training for Master’s degree is 2 years.</u>	Ukrainian-Russian	Faculty of Technical Systems and Energy Efficient Technologies, Faculty of Electronics and	1900	1900	1900	1900	X	X	2200	2400

		Information Technologies								
Informatics (Informatics), Micro- and Nanoelectronics (Physical and Biomedical Electronics), Computer Science (Informational Technologies of Projecting), <u>period of training for Master's degree is 2 years.</u>	English	Faculty of Electronics and Information Technologies	2300	2300	2300	2300	X	X	2600	2700
Specialties of Economic Field										
Finance and Credit (Finance and Credit), Economics of Enterprise (Economics of Enterprise), Management (Management of Organizations and Administration), Marketing (Marketing), Specific categories (Project Management*, Administrative Management, Management of Innovative Activities)	Ukrainian/Russian	Faculty of Economics and Management	2000	2000	2000	2000	X	X	2300	** 2500
Management (Management of Organizations and Administration), Marketing, Finance and Credit	English		2300	2300	2300	2300	X	X	2600	** 2700
Specific categories (Business Administration) – <u>period of training is 1,5 year</u> (on the basis of economic education) <u>or 2 years</u> (on the basis of non-economic education)	Ukrainian/Russian		X	X	X	X	X	X	X	2500
Specific categories (Economics of Environment and Natural Resources), <u>period of training is 1,5 year</u>	Ukrainian/Russian		X	X	X	X	X	X	X	2500
Specific categories: (Economics of Environment and Natural Resources, <u>period of training is 1,5 year</u>), (Business Administration – <u>period of training is 1,5 year</u> (on the basis of economic education) <u>or 2 years</u> (on the basis of non-economic education)	English		X	X	X	X	X	X	X	2700
Specialties of Humanitarian Field										
Advertising and Public Relations, Philology (Translation), Journalism (Journalism), <u>period of training for Master's degree is 2 years</u>	Ukrainian/Russian	Faculty of Foreign Philology and Social Communication	2200	2200	2200	2200	X	X	2500	2700
Specific categories (Media Communication), <u>period of training is 2 years</u>	Ukrainian/Russian	Faculty of Foreign Philology and Social Communication	X	X	X	X	X	X	X	2500
Specific categories (Financial and Economic Security Management), <u>period of training is 1,5 year</u>	Ukrainian/Russian	Faculty of Law	X	X	X	X	X	X	X	2500
Jurisprudence (Jurisprudence), <u>period of training is 2 years</u>	Ukrainian/Russian	Faculty of Law	2200	2200	2200	2200	X	X	2500	2700

Specialties of Medical Field										
General Medicine*	Ukrainian/Russian	Medical Institute	3700	3700	3700	3700	3700	3700	X	X
	English	Medical Institute	4100	4100	4100	4100	4100	4100	X	X
Pre-university and Postgraduate Education										
Clinical Ordinatura	Ukrainian/Russian	Medical Institute	2800	2800	X	X	X	X	X	X
	English	Medical Institute	3300	3300	X	X	X	X	X	X
Postgraduate Studies (full-time mode)	Ukrainian/Russian		3000	3000	3000	X	X	X	X	X
Preparatory Department (medical specialization)	Russian		1900	X	X	X	X	X	X	X
Preparatory Department (all specializations, except medical)	Russian		1500	X	X	X	X	X	X	X
Internship		300/1 month	X	X	X	X	X	X	X	X

*- specialties, training on which is carried out only on the educational qualification level "Specialist".

** - Period of training on the educational-professional programme is 1,5 year, on the educational-scientific programme is 2 years.
